

Service Plan

At McCarthy we understand how important it is to regularly service your vehicle and also how unplanned service costs can be frustrating. That's why we've developed the McCarthy Service Plan to help you plan and save on future servicing costs.

The McCarthy Service Plan is designed to provide you with complete peace of mind regarding your vehicle's servicing requirements and protects you against the rising costs of parts and labour. The McCarthy Service Plan pays for routine servicing as stipulated by the vehicle's manufacturer.

What it Covers:

- Includes the cost of oil, oil filters, air filters, fuel filters, passenger compartment filter element, spark plugs, brake fluid and Anti-freeze required during routine servicing.
- Pays for labour charges as per the manufacturer's flat rate service schedule.
- Includes 24 hour roadside & medical assistance for the duration of the plan.
- Plan options available for vehicles of various ages and mileage.

HOW IT WORKS

When you purchase a vehicle from McCarthy you can choose a service plan that suits your needs by choosing how much cover you want. When your vehicle is due for the required service you simply contact your McCarthy dealer to make an appointment and inform them that you have a McCarthy Service Plan. The dealer then contacts the McCarthy Service Plan Administrator to obtain authorisation prior to commencing your vehicle's service. The McCarthy Service Plan covers the cost of the routine servicing of your vehicle, as stipulated in the original manufacturer's service schedule.

PLAN OPTIONS

To choose the Service Plan option that best suits your needs, consult the table below for more information and ask your salesperson or F&I Business Manager for a copy of the Service Plan contract wording, which explains the full details of the cover. Alternatively call 0861 66 8888 and speak to a Service Plan Administrator for additional information, or visit www.bidvestinsurance.co.za
