

Maintenance Plan

At McCarthy we want your motoring experience to be as enjoyable as possible. That's why we've developed the McCarthy Maintenance Plan, helping keep your vehicle in pristine condition.

The Plan is designed to provide you with complete peace of mind relating to all aspects of your vehicle's maintenance and servicing by protecting you against unexpected repair bills and servicing costs.

What it Covers:

- All routine servicing of your vehicle, in accordance with the original manufacturer's handbook, as well as any unscheduled maintenance or repairs.
- The cost of parts and labour, as well as normal wear and tear items.
- Some examples of wear and tear items which are not normally covered by a manufacturer's warranty but which are covered by the Plan are: windscreen wiper blades; brake pads and discs; headlights and bulbs; shock absorbers; exhaust systems; clutch plates and flywheels.

HOW IT WORKS

When you purchase a vehicle from a McCarthy dealer you can choose the mileage and the number of years you want covered by the maintenance plan. When your vehicle requires servicing or maintenance, you simply contact your dealer to book your vehicle in for the required work. The dealer then contacts the McCarthy Maintenance Plan Administrators for authorisation to carry out the work and the cost of the repairs or servicing will be paid for by the plan.
